ADA ELIGIBILITY APPLICATION

Dear Customer:

Thank you for inquiring about the GATEWAY ADA Paratransit program. Enclosed is a copy of an application of eligibility. Please read all of the enclosed materials carefully before completing the application.

The Americans with Disabilities Act (ADA) of 1990, requires public transit agencies to provide paratransit service to people with disabilities who cannot access the public transit system due to their disability. This might include being unable to travel to or from bus stops, being unable to board or exit buses, or being unable to understand how to ride the bus system.

Relating to Transit, the ADA identifies disabilities in three (3) categories:

A. Any individual with a disability who is unable to ride on a fixed route bus independently due to mental impairment; including developmental disabilities.

B. Any individual with a disability who can only ride a bus if it is accessible, such as with a lift or ramp.

C. Any individual with a disability who cannot travel to or from a fixed route bus stop.

The information obtained from this application will be used by GATEWAY to assist in determining eligibility for service. Completing this application does not guarantee eligibility.

The disability must impact the ability to board, ride, and exit a fixed route bus.

After completing the application, please have a licensed health care or rehabilitation professional complete and sign the last two pages. If any sections of this application are left blank, the application will be returned. The information provided in this application is confidential.

Mail the completed application form to:
