August 1, 2018

### New Hours at the Wayne County Landfill

**Wayne County, NC** – Beginning September 4, 2018, Wayne County residents will have an additional day to use the Wayne County Landfill. The new hours for the landfill will be Monday through Saturday from 7am-4pm.

Solid Waste manager Tim Rogers says this change will allow for easier access to the landfill during the week for commercial haulers and contractors working in Wayne County. These new hours apply only to the Wayne County Landfill at 460 S. Landfill Road in Dudley; convenience center hours will remain the same.

For questions regarding fees or accepted items at the landfill, please contact the Solid Waste Department at 919-689-2994.
