

# Wayne County 911 Communications

## Request for Information

---

Due to non-disclosure agreements, telephone numbers are subject to discretionary measures.

The Manager or his designee for the Communications Center must approve the release of all information. If the request is an emergency situation and needed for investigation, the Manager or his designee is to be notified for approval. 911 recordings will be provided on a CD. CAD Reports are \$2.00 for the first six pages for each report. Additional pages are \$0.25 per page. CAD Recordings are \$2.00 per CD. There is no charge for public agencies.

---

***Requests for Information must be submitted to the Wayne County 911 Communications Center in person, via email to michael.albertson@waynegov.com or via fax at 919.731.1420.***
