

Wayne County Communications Center

Request for Information

Due to non-disclosure agreements, telephone numbers are subject to discretionary measures.

The Administrator or his designee for the Communications Center MUST approve the release of all information. If the request is an emergency situation and needed for investigation, the Administrator or his designee is to be notified for approval. 911 recordings will be provided on a CD. The requester must provide a new, blank CD-R to replace the one used for recording. CAD reports are \$2 for up to 6 pages. Additional pages are .25 each. There is no charge to public safety agencies.

Request for Information must be submitted to the Wayne County E-911 Communications Center either in person, e-mail to craig.brown@waynegov.com, or by fax at 919-731-1420
